

Admissions Policy

1 Introduction

Our governing body applies the regulations on admissions fairly and equally to all those who wish to attend this school. The School Standards and Framework Act 1998 introduced a new framework for school admissions as of September 2000. This was later revised in the Education Act of 2002. Our admissions policy conforms to the regulations that are set out in that Act and are further explained in the statutory School Admissions Code of Practice (Sept 2021) and the statutory Admission Appeals Code of Practice (Feb 2012).

2 Aims and objectives

We seek to be an inclusive school, welcoming children from all backgrounds and abilities.

All applications will be treated on merit, and in a sensitive manner.

The only restriction we place on entry is that of number. If the number of children applying for entry exceeds the places available, we adopt the procedure set out below to determine whether a child is to be accepted or not. It is our wish for parents and carers to find a place for their child at the school of their choice. However, this is not always possible, due to excess demand on the places available.

A child's level of ability is irrelevant to this school's admissions policy, as are any special needs the child may have.

3 How parents and carers can apply for their child to be admitted to our school

Our school is a community school, and it determines the admission arrangements in agreement with the local authority (LA). The Admissions Authority for our school is therefore the LA, which publishes its entry regulations every year. Parents and carers can receive a copy of these regulations directly from the LA.

The LA's annual admissions prospectus informs parents and carers how to apply for a place at the school of their choice. Parents and carers have a right to express their preference, but this does not, in itself, guarantee a place at that particular school. Application should be made on a form that can be obtained from the local Education Department, and should be returned by the date stipulated on that form. The school will notify parents and carers of the decision as soon as all the applications have been considered.

In our school, children can start school the term after their second birthday. Application forms for 2 year old provision and nursery are available from school and parents are notified by the school the term before they are due to start. Admission into the reception class is arranged by the LA school places team and parents/carers who would like their child to be admitted to this school during the year their child is five should ensure that they return the necessary application form by the 15th of January.

4 Admission appeals

If we do not offer a child a place at this school, this will be because to do so would prejudice the education of other children by allowing the number of children in the school to increase too much.

Grasslot School

If parents and carers wish to appeal against a decision to refuse entry, they can do so by applying to the LA. An independent panel considers all such appeals, and its decision is binding for all parties concerned. If the appeals panel decides that we should admit a child to whom we had refused a place, then we will accept this decision and continue to do all we can to provide the best education for all the children at our school. (Further details of appeal arrangements are set out in the School Admissions Appeals Code, which came into force in February 2012).

5 Sizes of classes for infants

We teach infant children (aged five to seven) in classes that have a maximum number of 30 children.

6 Monitoring and review

This policy will be monitored by the governing body, who will always take due note of the guidance provided by the local Admissions Forum.

The policy will be reviewed annually, or earlier in the light of any changed circumstances, either in our school or in the local area.
