- Use drawing, painting and sculpture to develop and share their ideas, experiences and imagination.
- Learn about the work of a range of LS Lowry describing the differences and similarities between different practices and disciplines, and making links to their own work.

Computing

- Children will develop their understanding of technology and how it can help us.
- They will learn about the components of a computer by developing keyboard and mouse skills.

Mathematics

Place Value

- Count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number
- Count, read and write numbers to 100 in numerals; count in multiples of twos, fives and tens
- Given a number, identify one more and one less
- Identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least
- Read and write numbers from 1 to 20 in numerals and words

Addition and Subtraction

- Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs
- Represent and use number bonds and related subtraction facts within 20 □ add and subtract one-digit and two-digit numbers to 20, including zero
- Solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = \square - 9$.

Design & Technology

- Use the basic principles of a healthy and varied diet to prepare dishes
- Understand where food comes from.

- Select from and use a range of tools and equipment to perform practical tasks.

Geography

- Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map
- Use simple fieldwork and observational skills to study the geography of their school.
- Recognise basic map symbols and begin to understand the need for a key.

PSHE & RSE

- Different types of families including those that may be different to their own
- Identify common features of family life
- What keeping healthy means; different ways to keep healthy
- Foods that support good health and the risks of eating too much sugar
- Why sleep is important and different ways to rest and relax
- Simple hygiene routines that can stop germs from spreading

Music

Science

- Identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense.
- Asking simple questions and recognising that they can be answered in different ways
- Observing closely, using simple equipment
- Performing simple tests
- Identifying and classifying
- Using their observations and ideas to suggest answers to questions
- Gathering and recording data to help in answering questions.

History

PE

Wake and Shake

Forest School

RE

- Ask and respond to questions about what communities do, and why, so that they can identify what difference belonging to a community might make

Oracy: Geography – favourite part of local area, explain why, PSED – Present and share their 'All About Me' bag.

Enhancements: Local area walk, Forest School, Autumn walk.
