

Grasslot Governor's Newsletter

Spring 2026

Working together to find the spark in every child and fan it into a flame.

Hi, I am Jack Holliday and I am pleased to introduce myself as the newly appointed Chair of Governors at Grasslot Infant School.

I have been a governor since 2021 and during that time I have greatly valued the opportunity to support the school and work alongside such a committed team of staff, governors and families.

Grasslot Infant School has a strong sense of community and a clear commitment to providing a nurturing, happy and engaging environment for all children. As Chair, I am keen to build on this strength by continuing to work closely with the Headteacher and Governing Body to ensure the school remains focused on delivering the very best outcomes for every pupil.

The governing body plays a vital role in supporting and challenging the school, ensuring that decisions are made in the best interests of the children and that the school's vision and values are upheld. I am proud to be part of a dedicated group of governors who bring a wide range of skills and experience to this role.

I look forward to continuing my work with the school community and contributing to Grasslot Infant School's ongoing success.

This term in school, the Governors will be:

- ❖ Gathering pupil voice on different aspects of school life.
- ❖ Observing writing opportunities in school and meeting with the Literacy leader to discuss what writing progression looks like across the school.
- ❖ Engaging in essential safeguarding training.
- ❖ Working with the headteacher to understand and review the school development priorities for the year and the progress that is being made towards these.
