

*Working together to find the spark in every child and fan it into a flame.*

Hello, my name is Sarah and I am a Governor at Grasslot Infant School.

I have been a Governor for 2 years, starting when my daughter Connie was in Sunbeams.

I am on the Teaching and Learning Committee which I find really interesting. I have been able to spend time with teachers in the school looking at the curriculum, with a particular focus on Early Years.

Until I started this role, I had no idea how much planning and work goes into ensuring our children have the best opportunities to thrive at school.

**This term in school, the Governors have:**

- ❖ Undertaken Safeguarding training.
- ❖ Completed monitoring of SEND, Safeguarding and Pupil Premium.
- ❖ Met to discuss Finance and Health and Safety.
- ❖ Completed subject monitoring for Early Years, English, Maths, Science, Computing, History, Geography and Design and Technology.
- ❖ Attended Come and Play Sessions and the MacMillan Coffee Morning.
